By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. Also come out of the ear are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

I have a good crop here this year and my brother-in-law, Axel Nordstrom in Canada, wants me to come there. He formerly lived in Wilton, North Dakota. I am going to buy or take homestead when I get there, but I do not want to travel two thousand miles for a cheap rate to Canada. **WANTS TO RETURN TO CANADA.**  
Vesta, Minn., July 15th, 1910. "I went to Canada nine years ago and took up a quarter section of railroad land and a homestead, but my boys have never taken up any land yet. I still hold the railroad land. I had to come back to the States on account of my health. Please let me know at once if I can get the cheap rate to Canada. I will call at your office for our certificates."
